OPEN SPACE

Area Supply Report

2020

1.0 Area Supply Report

1.1 Overview

Four documents provide information on open space in the East Riding of Yorkshire.

- Open Space Review 2012-2022.
- Playing Pitch Strategy 2019-2024.
- Playing Pitch Strategy Stage C Assessment 2019-2024.
- Area Supply Report 2020.

1.2 What is Open Space?

- Allotments.
- Amenity Green Space.
- Cemeteries.
- Natural and Semi-Natural Green Spaces.
- Outdoor Sports Facilities.
- Parks & Ornamental Gardens.
- Provision for Children and Young People.

1.3 Maintaining Open Space Information

The council undertake audits of all known open space at least once every 5 years. Some categories such as the provision for children and sport (Playing pitches) are audited every 3 years. The following audits have taken place or will take place within the next five years.

- Allotments. Due 2022
- Amenity Green Space: 2020.
- Cemeteries: Due 2021.
- Natural and Semi-Natural Green Spaces. Due 2022.
- Outdoor Sports Pitches: 2019.
- Parks & Ornamental Gardens: 2020.
- Provision for Children & Young People: 2019.

1.4 Area Supply Report 2020

This report is a “Snap Shot” in time and:

Compares the provision of open space in each area against the council’s open space standards.

For more information on open space standards, please refer to the Open Space Review 2012-2022.

Some built up areas of the East Riding of Yorkshire require their own supply report based on their development limits. Additional Development Limit Reports have been produced and will be used when considering local needs in such areas.

This supply report is revised every two years with the next full revision being publish in 2022.
